President's Message

By Pete Johnson

I usually say at the end of each month's message that I hope to see you all at the meeting, but this month I won't be there. Our VP Darrell Radford will be running the meeting while I'm on vacation.

If you attended the last meeting, you know that I announced that I will be stepping down as your Chapter President at the end of the year, and that the search will soon begin for candidates. Our bylaws call for us to form a nominating committee, and hold an election in November.

The FAA Safety Seminars are returning to our area in August. The first one will be held at the Estrella Warbird Museum's Thomson Hall on Monday, August 15 at 6:30 PM. The topic will be "Preventative maintenance accomplished by a pilot, what is required, and what can be accomplished under the rules". You can pre-register online. Please take a look at the separate

notice within this newsletter for complete information.

The annual Paso Robles Airport Day is Saturday, September 10. As I announced at the last meeting, holding a Young Eagles event is in doubt due to lack of participation. My wife Liz has resigned from her position of YE coordinator, and unless at least three members step forward to provide ground support, we won't hold an event

during Airport Day for the first time since I've been President. Of course, we would still need planes and pilots. If you have a burning desire to help, please let me know soon.

Regards,
Pete

PS – I'll see you in September at the meeting
