## **Chapter 465 Minutes**

May 1, 2014

The meeting was called to order at 7:08, in the PRB Terminal.

There were six in attendance.

There wasn't a treasure report due to Dale traveling on vacation.

A fly-out was discussed again. Modesto was having a fly-in. But there were so many events on the same weekend this time of the year. The fly out was shelved for the time being.

David brought up the current attendance and suggested that we look into joining with SLO. Also PRAA has a growing membership and are having BBQ's and other events that our EAA members would enjoy. David's question of where are we going as a small group, was thought provoking. Ralph Richards mentioned that the local PRUA or Paso Ultralight Assoc. were dropping their affiliation with EAA due to membership shrinkage, but were going to join 465. Discussion were had about alternating meetings between SLO and PRB chapters. Also, the young eagles program was mentioned as a way to increase our pilot numbers. Nothing was formally decided on at this point.

Our guest speaker Ralph Herman spoke about and shared historical documents on the Tarzana Ranch that he and his family own as well as the history of flying in San Fernando Valley with many interesting stories. We all enjoyed his talk and wanted to here more.

Meeting was called at 9:00 p.m.
